# 2017

13-18 March 2017, Tokyo, Japan

**Yokoso!**

We welcome you to Tokyo.

ICST 2017 will be held from March 13 to 18, 2017 in beautiful and impressive Tokyo, Japan. In 2014, Tokyo was ranked first in the "Best overall experience" category of TripAdvisor's World City Survey. Tokyo has plenty of cultural and exciting places such as museums, the sumo wrestling arena, the kabuki theater, and Akihabara town.

ICST 2017 is 10 years old! Come join us for celebrate the 10th anniversary for the most prestigious event in our field of Software Testing, Verification and Validation.

ICST 2017 promises to help ensure an environment that stimulates learning and collaboration by latest research findings, ideas, developments and applications throughout the world.
